Old days, good times I remember  
 Fun days, filled with simple pleasures  
 Drive in movies, comic books and blue jeans  
 Howdy Doody, baseball cards and birthdays  
 Take me back to a world gone away  
 Memories seem like yesterday.

Old days, good times I remember  
 Gold days, days I'll always treasure  
 Funny faces, full of love and laughter  
 Funny places, summer nights and streetcars  
 Take me back to a world gone away  
 Boyhood memories seem like yesterday.

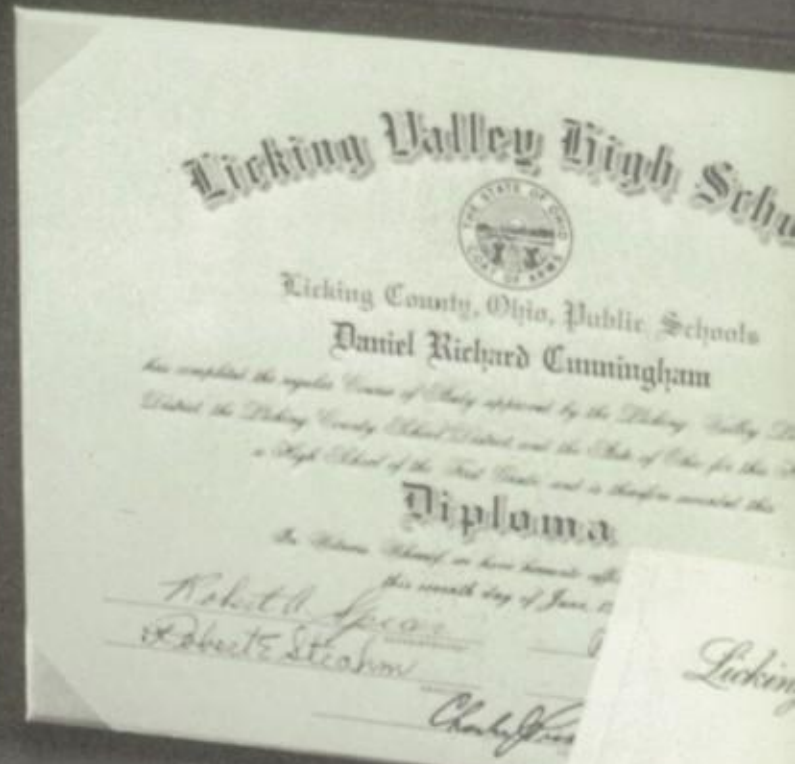

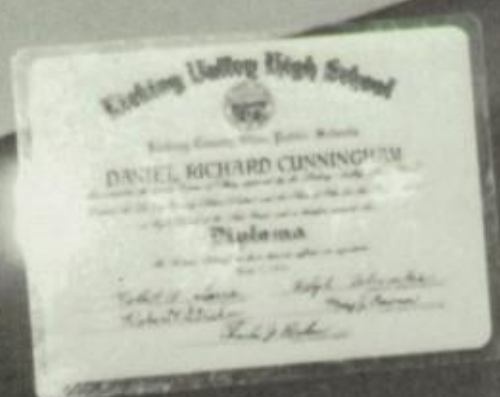

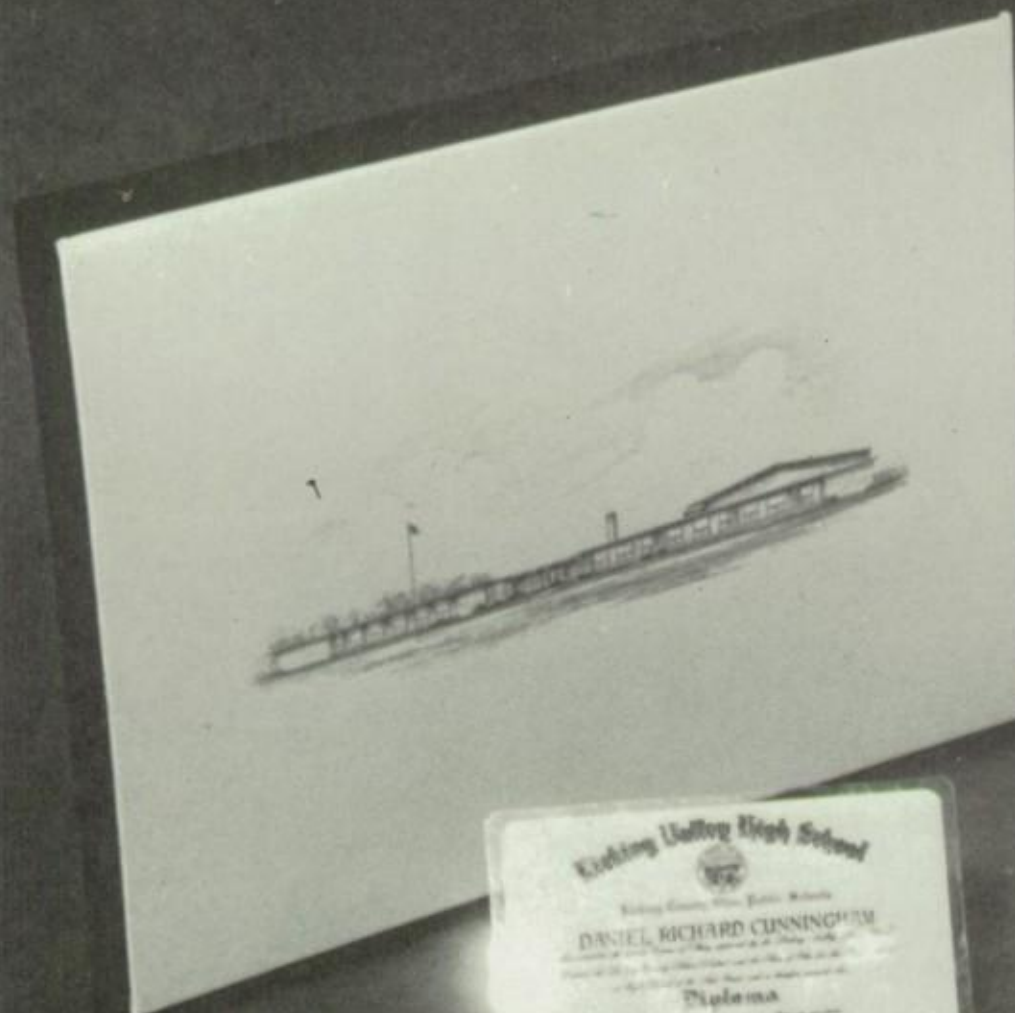

DAVE NUNN

Old days, on my mind and in my heart to stay  
 Old days, darkened dreams of good times gone away  
 Old days, days of love and feeling fancy free  
 Old days, days of magic still so close to me.

After all the crap I've learned in high school,

It's a wonder I can think at all.

But my lack of education hasn't hurt me none,

I can read the writing on the wall.

## Coach's Comments:

The golf team is still building and still improving. The varsity team won one match and lost ten during the season. They defeated two teams in the Sectional Tournament at Groveport. The reserve team had a successful 4-2 record.

Captain Rick Ford, a senior, completed his fourth year on the varsity team. Junior Richard Thompson completed his third year on the Varsity Squad. Duane Wood, Barry Wright, Doug Wills, and Dave Gray all completed their second year.

This was the second year on the reserve team for Dave Thompson, Scott McClain, and Kelly Miller. Newcomers, Monte Nagy and Darren England will vie with the other members of the Reserve team for a spot on the Varsity team next Fall.

Awards given at the golf banquet this Fall were to Duane Wood for Most Improved Player, and Richard Thompson for Most Valuable Player.

Duane gets into the swing of things.

Wait Doug! Shouldn't you be on the other side of the tree?

## Choir

The Licking Valley High School Choir has made giant strides in 1976-1977 toward a strong vocal music program. From a girls' chorus of forty the previous year, the chorus grew to seventy-six, including twenty-one male members! Such select groups as Jazz Choir, Girls' Ensemble and Boys' Barbershop have provided even more singing experience for many students. Besides giving a full Christmas Concert with the Band and a Spring Vocal Concert with the Junior High Choir, the High School Choirs raised the money and provided much of the talent for Licking Valley's first musical, "Rock 'n' Roll", which was a great success! The many talented students in the group will assure an even more successful season next year . .

# FACULTY

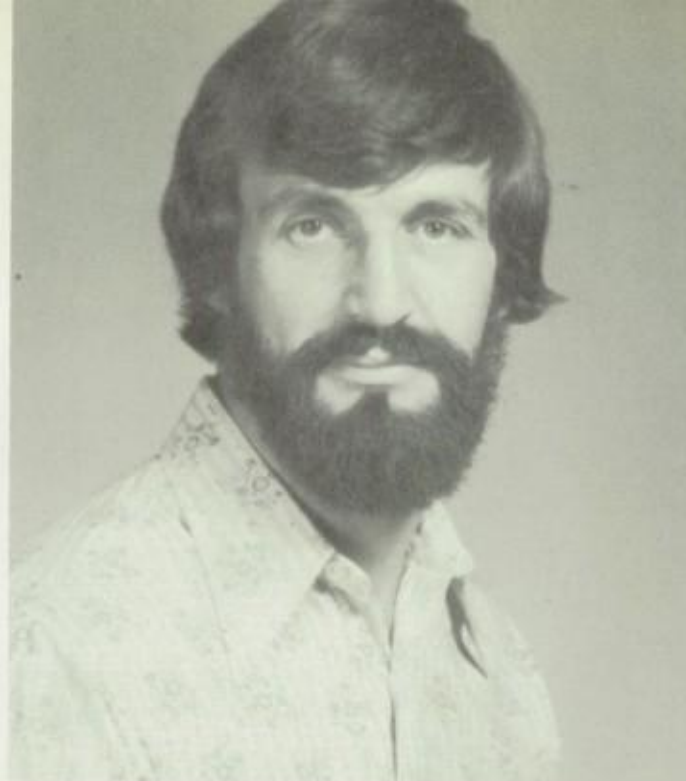

I was sitting in the classroom  
Trying to look intelligent,  
In case the teacher looked at me.  
She was long and she was lean,  
She's a middle-aged dream,  
And that lady means the whole world to me.  
  
You give me education,  
Help me get straight, come out and say,  
Teacher I, Teacher I, Teacher I,  
Teacher I need you.

## Let the Army help you with college.

Last year, 90,000 young people like yourself earned college credits in the Army.

They attended classes on post. They studied at nearby colleges and universities. And they took courses through various correspondence programs. And the Army paid for up to 75% of their tuition costs.

Our educational benefits are in addition to the job training you'll receive, the salary you'll earn, and the travel opportunities you'll have.

If you'd like to find out more about all the educational benefits the Army has to offer, call your local Army Representative.

## What your job competition tomorrow... will be wearing this year

Consider this — employers know how valuable Air Force training is. Some of the finest schools teach top-paying skills like jet engine mechanics, electronic data processing, avionics, accounting and more than a hundred other technical and administrative specialties. Are you willing to let the other guy have all this — plus good pay, paid vacations, the very best of medical care and benefits, and excitement, too? Get the jump on your competition — See your Air Force Recruiter for the full story.

#### ALMA MATER

Fair the light that shines on thee,  
Rich in memory.  
We will sing enthusiastic  
L. V. we love thee.

Hail we L. V.,  
Sound her praises,  
Sing them to the sky.  
Ever stand our Alma Mater,  
L. V. hail, all hail. . .

Fight the team across the field  
Show them that L. V.'s here  
We got the team so let us  
Send the earth reverberating  
With a mighty cheer  
Rah, Rah, Rah,

Hit them hard, and see how they fall  
Never let that team get the ball  
Hail, Hail the gangs all here
